FOR IMMEDIATE RELEASE

Haverhill, Massachusetts (December 16, 2011) Adamson Industries Corp., a leading provider of public safety vehicle equipment and installation services is pleased to announce the Maxxima MLS Series Strip Lighting. The MLS Series of LED lighting offers excellent illumination for compartments, cargo and work spaces. Pair with the Sho Me two-output LED flasher (11.1005.SF) for a reliable flashing strip light for almost any application.

Features

Maxxima's Strip lighting is available in lengths of 18", 24" or 36". The space saving low profile design draws ultra low amperage and provides long LED life. The MLS Strips can be easily applied to any clean surface with the self-adhesive backing. The electronics are completely sealed and moisture proof.

Pricing and Availability

The Maxxima MLS Series Strip light is in stock and ready for immediate shipment in your choice of White, Red, Blue or Amber. Prices range from \$29.95 to \$49.95 depending on length. Check out our website, www.adamsonindustries.com for more information, view the product video or to order.
